

in Canada. Despite well-publicized projects targeting specific communities, none of the interventions have been able to demonstrate any positive effect; if anything, the problem continues to worsen. We examine critically the field of Suicidology as it applies to the Native Peoples of Canada and suggest reasons why efforts to prevent suicide have not paid off. We also explore different kinds of interventions that may be more successful.

This course provides an introduction to issues of alcohol and drug use/abuse in indigenous communities (concentrating on Canada for the most part, but including reference to such issues in other indigenous communities worldwide). Traditional uses of substances which alter consciousness are reviewed, as well as the role that the introduction of unfamiliar psy2
