*Important: Students planning to apply to the Honours Program must discuss a course plan that adequately prepares them for the Honours thesis, and subsequent career goals, as early as possible in their program, with either the Department Chair or some other full-time faculty member.*

The following information is provided for students who are considering graduate programs. It is recommended that students consider writing the GRE (General and/or subject test) in the summer before their last academic year and the subject GRE (if required) in the fall of their last academic year.

**Important note:** Some graduate programs require students to write the GRE (General and/or subject test). It is recommended that students consider writing the GRE (General Test) in the summer before their last academic year and the subject GRE (if required) in the fall of their last academic year.
